

# Vertical Garden Support Frame

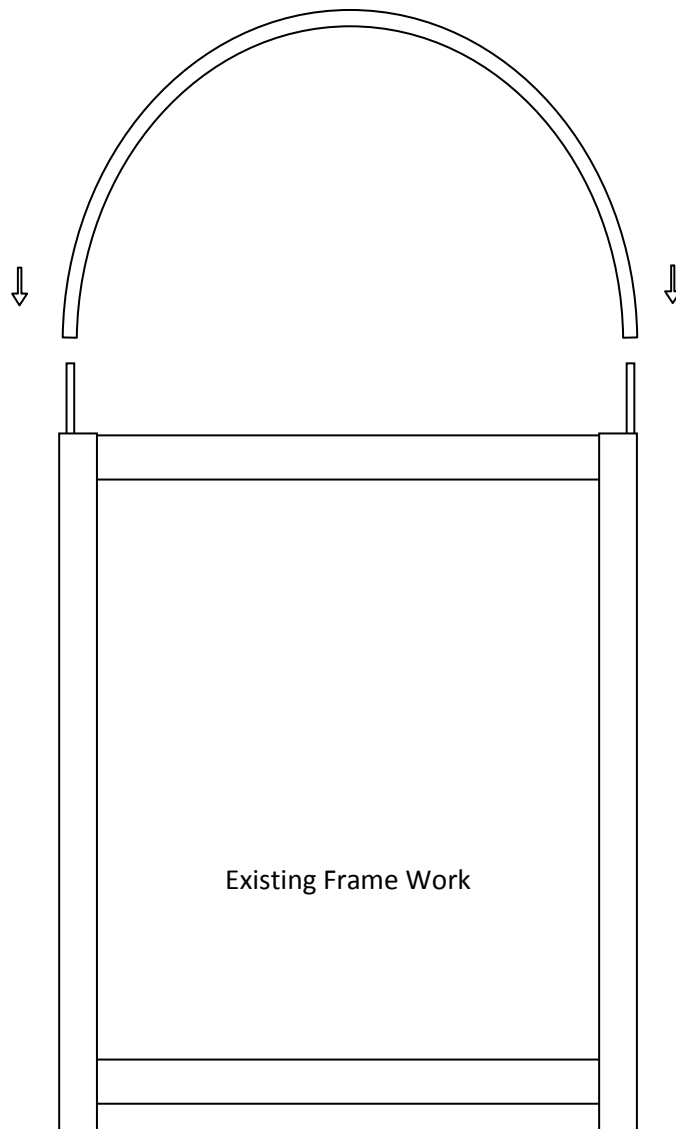

V2 (10)

## **Components**

Support Hoop	x2
Support Hoop Bar	x4
11mm Square Bolts	x4
Top Rail	x1
Top Rail Clips	x2

Support Hoop Bar

1. Insert the Cover Hoop Bars into the inside corners of the frame uprights.
2. Place each cover hoop on the frame so that the protruding bar is inserted into the end of each hoop.
3. Insert the clips into each end of the Top Rail and clip onto the inside of each Cover Hoop
